

The Edge, Polzeath, Cornwall

Background

'The Edge' is a Spectacular Holiday Home that has incredible wide-ranging sea and beach views of Polzeath and Pentire Head from the main living areas and even from the beds of the ground floor bedrooms. The views are cleverly maximised by reversing the living space upstairs and the main sleeping area downstairs.

The house is located in an elevated position just two minutes from the popular beach and the Polzeath shops, so it's perfectly placed for the active beach enthusiast, or maybe the less active sea view and people watchers!

Requirement

High Spec. Audio & Video to Dining Room, Living Room, Conservatory, Master Bedrooms & Bathrooms. Brushed Aluminium AV Faceplates, HDMI Cabling into fabric of Building, Home Entertainment Server, LCD & LED Televisions to various locations throughout.

Solution
